

The 70 "Lost" Prayers ... For Deliverance And Blessings You Never Heard Of ...

Every victorious prayer warrior has a collection of prayers that have brought great deliverance and blessings.

They pray and share them to receive more blessings.

Prayer eagles like my students hoard them, collect them, and treasure them.

I learned that in case of a fire, most of my students would move to save their prayer collections first.

I showed them how to download all our prayer riots and keep them for future use.

Over the years I instructed my assistants to set up electronic prayer cabinets

organized by topic.

Salvation

Spiritual Growth

Holy Spirit Baptism

Healing and Deliverance

Finances and Debt Freedom

Evangelism

Job and Career Advancement

Marriages

Relationships

Dreams

Prophecies

Spiritual Warfare

Holy Living

Yes, I catalogued everything that prayer warriors have prayed since the dawn of Christianity.

I studied them and asked the Holy Spirit to show me when to use them.

Take for example the "Great Physician" prayer:

"O Great Physician by all the power for which you are known to be God arise and declare total healing in my body, soul and spirit in the name of Jesus Christ."

It is responsible for hundreds of healing testimonies on our websites.

Praise the LORD.

Another one is the prayer against rejection which goes like this:

'Covenant keeping God of Abraham, Isaac and Jacob, in the places where

they have rejected me, cause them to call me back and fall over themselves to help me in Jesus' name.'

That one has brought so many testimonies we stopped counting.

New jobs.

Many weddings.

Happy marriages.

Then my assistant alerted me to a prayer file salvaged from a very old HP computer I used in the nineties.

It was bizarre.

We used it for training and deliverance from "hard" problems.

Especially for those tormented by serpentine powers.

I had never seen a prayer sequence that effective.

I stored those prayer files in that old hard drive and forgot about them for 22

years!

Earlier this year, I found them and sat down and started to go through them.

Goldmine!

One subscriber used them and got delivered from a serpent projected into her private parts when she visited a false prophet years ago!

There are 70 of those prayer bullets.

All collected into a new Prayer Academy pdf entitled:

LESSON 0:
70 Prayers to Terminate
The Ministry of the Serpent

... and there's so much more to this as well.

The pdf opens with these words:

==

"Powerful revelation today...

... aimed at ruining the most insidious battle plan ever concocted against the human race ...

... by opening your eyes to a hidden realm where victory is won or lost -- before anything happens in the physical world."

If you want to discover these "lost" prayer bullets no one has heard of...

Prince Patrick writes on Facebook:

"The prayers taught by elisha are a must learn and have for every believer. Like Moses when he said I wish that all were prophets, elisha is actually turning that into reality and making a prophet in every believer who dares to follow up with these prayers and commit to them with fervent desire and intensity.

I challenge every believer in Christ to seriously ponder enrolling in the Prayer Academy before Jesus comes and you will begin to live the best part of your christian life so far.

I just started mine months ago and these months have been the most peaceful and rewarding months I have ever had even in the most difficult of situations I have peace and unspeakable joy. God bless you as you begin this journey of real prayer with elisha by the power of the HOLY SPIRIT."

Truly well spoken.

Like Patrick, thousands have taken the step of faith to enrol in the Academy... these past 13 years.

Once inside the Forum, you're dangerously equipped to become your own personal prophet...

... able to hear the voice of the LORD for yourself.

Now, a believer who can "hear" and recognise the voice of the LORD can bring any problem to its knees
with a singular prayer bullet.

Including such problems as...

- job loss
- shame and disgrace
- marital distress
- financial failure
- dream attacks
- chronic poverty
- stranglehold of debts

In short, you will become your own "personal" prophet.

ALL BECAUSE ...

You can hear His voice directly, not through a 3rd party.

The reason our prayer "bullets" work so fast to release thousands of testimonies is ...

... because we receive them directly - loud and clear - from the Holy Spirit.

And testimonies are the result - day in day out.

Like this one that popped into my inbox:

Lesson 6 started for me with tears due to marital problems.

Now God has given me peace, joy, laughter that I had 10 years ago
and not only that Jehovah is Lord, Jesus is indescribable, amazing.

7/5/2018 God has blessed me with 50×50 plot with a house already built.
Am to pay at my pace, just settled halfway.

Great is thy faithfulness. I am forever grateful.
Thank you for relentlessly advising me to join Prayer Academy
since April 2017. I only joined in Feb 2018. You emailed me daily
you were never weary. Good Lord enlarge your territory.
Glory and honour to Jesus. Amen.

The Conversation Forum is already crackling with divine electricity...

Eph. 5:14 says:

"Therefore he says, Awake you that sleep, and arise from the dead, and Christ shall give you light."

Inside The Forum

For The First Time In 33 Years...

I stumbled into this Ministry because the Holy Spirit said to me around May or so of 2017, "Do I know that there is an ALTAR speaking for me and an ALTAR speaking against me?" I was frightened and said no I do not know that. And the reason was that I could tell within me that especially since I had the stroke that my prayer life and spiritual momentum was not quite the way it used to be.

I knew I needed to take more steps to seek the face of the Lord more and build up my faith but my body was dragging me down because of the paralysis plus the medications. As God will have it I started studying and researching to find out about the two kinds of ALTARS. That was how I stumbled into Elisha Goodman and Firesprings Website.

As I began to read through, I saw things like FOUNDATION and ALTAR. It was like cold water poured over my body. Peace and tranquility took hold of me. Since then I am amazed at how God can use a couple of words of instruction He gave me around May 2017 to draw me into this Prayer Academy to start a total and complete healing process in my life.

A stroke survivor who could barely move around and on medication from blood pressure, to high cholesterol and has a pacemaker. One who was paralyzed on her right side from neck to toes can now be one to participate in an Esther Fast for the first time in over 33 years...
